

Vladyslav Tsurkanenko

Junior Full Stack Web Developer

I recently graduated from Spiced Academy. I am looking for a possibility to learn and improve my skills with Typescript, Javascript, as well as advance my knowledge of FrontEnd and BackEnd development. My experience in banking, finance, and the skills such as: teamwork, taking initiative, and my analytical skills will help me in a new environment. I am very motivated to contribute to your projects and learn the process very quickly.
